

SALE AND LEASEBACK MAXIMISE THE VALUE OF YOUR EXISTING EQUIPMENT

SALE AND LEASEBACK

Our simple process gives your business cash for your existing assets

We can offer your business a sale and leaseback solution on a wide variety of assets. If your asset is less than 4 months old we promise to pay you the original purchase price. If the asset is older than 4 months we offer you the net book value of the asset.

By using our sale and leaseback process you can raise capital by selling your existing assets to CHG. There is zero disruption to your business as you continue to retain all the benefits of usage, yet transfer the risk of ownership and disposal to CHG. Furthermore you can benefit from our end of lifecycle services including our certified data erasure, which will help your GDPR responsibility.

Having worked internationally with clients since 1979, CHG-MERIDIAN is an expert in asset finance. Our flexible approach and strong lifecycle management allows you to maximise the value of your current asset portfolio. It also gives you access to discuss the variety of our forward thinking financial and service solutions. Our sale and leaseback process is non-disruptive and enables you to remove complexity and accelerate future opportunities.
